

# West Lake - Kleinsteuber-Parks Rd - Salmon Pt

30 km loop;  
approx. 75 minutes

Start-Finish: Caley Lane

Head east (left turn) along County Rd 12 from Caley Ln through West Lake to Kleinsteuber-Parks Rd, then south (right) over to County Rd 11. Turn right (west) until you reach the 4-way stop at the park entrance; proceed straight into park through the park. Just past the bridge over Outlet Brook, go straight through the camping area to find a small gate opening onto County Rd 18. Turn south (right), then after about 150 meters, turn right onto Salmon Pt Road. Follow this road west until it ends. Retrace your path through the park to the entrance gate, then turn west (left) onto County Rd 12. Follow this to a four-way stop, then go right (east) to return to Caley Ln.

Watch out for storm drains along County Rd 12 in West Lake.

Watch for inattentive drivers in the park area, particularly near parking lots.

Watch out for sketchy pavement ("elephant skin") east of the 4-way stop where you turn right for the last leg of the trip. Pavement is hard to navigate with skinny tyres, and the sharp corners are often cut wide or cut by cars/trucks.

Snacks and drinks available in season in the park.

Please respect highway safety and the rules of the road. Bicycles are vehicles, and as such must obey all traffic signs and signals (e.g. stop signs).

Ontario Provincial Parks allow no-fee entrance to persons riding bicycles. It is not necessary to stop at the entrance station when entering the park.
